MEMORANDUM FOR: Deputy Director (Support)

SUBJECT:                   Contacts with the Director of Central  
                                 Intelligence

You requested a list of those in this Office who would in the normal course of business have personal contact with the Director. Normally, it would be just me and Mr. Warner. You might want to add the name of [ ] in view of the fact that if Mr. Warner and I were away when a legislative matter came up it might be necessary for [ ] to see the Director. It would be quite unusual for any of the other lawyers to see the Director without either me or Mr. Warner present.
